### SEVERE RHEUMATIC PAINS DISAPPEAR

Rheumatism depends on an acid which flows in the blood, affecting the muscles and joints, producing inflammation, stiffness and pain. This acid gets into the blood through some defect in the digestive processes, and remains there because the liver, kidneys and skin are too torpid to carry it off.

Hood's Sarsaparilla, the old-time blood tonic, is very successful in the treatment of rheumatism. It acts directly, with purifying effect, on the blood, and through the blood on the liver, kidneys and skin, which it stimulates, and at the same time it improves the digestion.

Get Hood's Sarsaparilla today. Sold by all druggists.

### SALEM'S STYLE SHOW WILL BEGIN TONIGHT

Up-to-Date Things In the Latest Styles Will Be the Living Models

The last gown has been fitted and altered. The young men and women have had their last rehearsals—and all is ready for the big Merchants Dress Up Week Style Show that opens tonight at the Oregon theatre for three days.

Today has been a busy one for the nine local girls who take part in the show. They have gone from one store to another and have stood for hours while their garments were being fitted and altered so as to make a perfect appearance.

When the curtain rings up on the Style Show it will mean the climax of ten days labor on the part of practically every representative merchant in Salem. There have been many obstacles to overcome in producing this co-operative exhibit, but the combined resources and ability of all the merchants has resulted in a splendid show.

**Ahead of Fashion Sheets**  
"Without a doubt this Salem Merchants show will be the best Style Show I have ever had anything to do with," said Manager Allen, who is producing it for local firms. "The merchandise to be shown is the very last word in late fall and early winter modes. All the merchants have done everything in their power to have the merchandise up to the very highest standard and I am sure that every critical woman will see—in an instant—that the merchandise worn and displayed tonight is right up to the second in style. In fact we will show garments that have not been pictured in the fashion sheets as yet."

**For Women Only**  
And the models will show lingerie—but not to men. But they will not put on the lingerie show in the evening—so don't worry men. The lingerie show will be in the afternoon of Thursday and Friday, and women only will be admitted. One of the professional models will wear a splendid wardrobe of the finest under garments you have ever seen—putting on one garment after another in the most unique exhibition of intimate articles of feminine attire ever staged in Salem.

meeting of the Cherrians last night, the entertainment committee of which Carl Gabrielson is chairman, was instructed to arrange for the fortnightly dances. A committee was also appointed to arrange with James Mott to give a show the latter part of November. In order that the Cherrians may study up on the proposed excursion next summer to the Yellowstone National park, literature on the park will be sent the members.

Don't forget the contest for the most popular local girl. The young lady receiving the most votes will receive a beautiful suit or coat as the prize and all are working hard to be declared the winner. Pick out a favorite. Work for her and help her win the prize. Do your share to make Dress Up week a success.

### Australian Wheat May Be Sent Here

San Francisco, Nov. 1.—Australia wheat will compete with American grain while the price of the latter is prohibitive, it became known today. The first move for this war on high prices is the chartering of the big schooner, Snow of Burgess, to bring a cargo of wheat from Melbourne to Hal-

four, Guthrie and company, millers. There is an exceptionally large wheat crop in Australia this year, and prices there are extremely low, as compared with America, say those behind the venture. They believe the imported wheat can be sold under the present American prices.

The Knights of Pythias were given a surprise party last evening, or at least it was supposed to be a surprise. The party was of the Halloween order and given by the Pythian Sisters at McCornack hall. Mrs. J. W. Cox was master of ceremonies. For the Knights, E. C. Barber expressed the appreciation of the men for the evening's entertainment.
